GREATER CINCINNATI CREDIT UNION 2021 REPORT OF THE DIRECTORS

The purpose of Greater Cincinnati Credit Union since 1935 has been to provide safe, economically

sound, competitive financial services to meet the needs of members in an efficient, convenient, and

personalized manner.

We've been through two anniversaries during a pandemic that continues to challenge us all.

Through it all, our Credit Union stayed strong for our members and true to our mission. As we

meet today, for our Annual Meeting and our 87th anniversary, I can proudly state that we are still

serving our purpose.

2021 was like 2020, as we again persevered through a tough environment, while still recognizing

opportunities and seeing the hope for a great future. The seasoned staff and leadership have

worked hard to ensure the Credit Union prospers for its members.

Without you, the loyal and dedicated member, our achievement of success would never have been

possible. Our industry offers many financial service options to the consumer, and our appreciation

cannot be expressed enough for our members trusting the Credit Union over the rest. I am

extremely proud of the current state of the Credit Union and the products and services we offer to

our members to ensure their continued financial success, and I look forward to new and innovative

products in the future.

Let us look forward to the bright future of Greater Cincinnati Credit Union, and rest assured we are

in good hands. Thank you.

Harriet Russell

Board President

GREATER CINCINNATI CREDIT UNION 2021 TREASURER'S REPORT

As we continue to move forward in all facets of our lives, including in our economy and in our Credit Union, I am happy to report that Greater Cincinnati Credit Union delivered strong financial results in 2021. We recorded a net income of \$224,574. The Credit Union saw an increase in deposits of 9.2%, a total increase of over \$10.5 million, which increased total assets to over \$135 million.

It's old news that economic downturns are difficult to predict, and none of us predicted an economic boom for 2021, but our years of prudent management helped us persevere. We continued to make quality loans in 2021, and we were able to grant over \$14 million in loans to members. Our investment approach of purchasing corporate CDs from other insured financial institutions to reduce the impact of the lower rate environment, has us positioned well. We maintained our healthy investments for a total CD investment portfolio of nearly \$32 million.

Technology is always improving and changing, we continue to be vigilant with our IT security and we have continued to update our IT infrastructure. The main priority is to protect our members data while allowing them to have access to their accounts 24 hours a day, 7 days a week through our home banking products.

Our continued improvement as an organization is due to the hard work and dedication of our Board of Directors and Staff. In 2022, we will continue emphasizing loan growth, and we are committed to providing the best service possible and innovative products to every member of Greater Cincinnati Credit Union.

Elaine Murphy Treasurer

GREATER CINCINNATI CREDIT UNION 2021 CREDIT AND LENDING OPERATIONS REPORT

For the operating year 2021, the Credit Union processed 1,405 loan applications, including Visa Credit Cards, and approved 804 or 57%. The total dollars disbursed for all loans was \$14,345,418.

Included in the total loans disbursed are the following:

- 37 First Mortgage Loans totaling \$5,813,960.
- 12 Home Equity Loans/Line of Credits totaling \$249,000.
- 118 Indirect RV Loans from our local dealerships totaling \$3,680,423.
- 137 Direct Member Auto, Motorcycle & RV Loans totaling \$3,348,822.
- The remaining \$1,253,213 was comprised of personal loans and Visa Credit Cards.

Members borrowing overall in 2021 decreased by \$4,673,268 or 24.6%. Fewer Mortgage loan closings and Indirect RV Loans in 2021 were major contributors to the decrease. The loan approval rate of 57% was a decrease of 3% from the previous year 2020.

Losses resulting from delinquencies, bankruptcies and deceased member accounts decreased by 40% in 2021. The Board of Directors approved the charge off of \$103,015 in loans in 2021. These results can be attributed to quality loan underwriting and excellent collection efforts by our Credit Union staff. Once again, this represents one of the lowest annual losses in the past 10 years. The Credit Union also recovered \$56,453 of previously charged off loans in 2021.

GREATER CINCINNATI CREDIT UNION 2021 SECURITY OFFICE REPORT

Overall, the year 2021 was closer to normal than 2020. The disruptions caused by COVID-19 were reduced as the year progressed. GCCU continued to allow patrons to wear masks in its lobbies. However, the requirement to temporarily remove masks upon entering was dropped in 2021.

GCCU updated and upgraded much of its security camera system at the beginning of 2021. The system is used daily to monitor actions at all our locations and regularly to investigate incidents which occur on or near GCCU property.

In 2021, GCCU Security initiated five formal investigations. GCCU did not suffer losses in any of those situations. Two were law enforcement requests for video and/or still images. One request involved a hit and run accident across the street from our Silverton location. In that incident, a pedestrian crossing Montgomery Road was struck by an automobile at 11:30 PM. Unfortunately, the police were not able to identify a suspect. The other major law enforcement request for video came from North College Hill police regarding a homicide investigation. They sought images of a suspect vehicle which had traveled past GCCU's camera.

Other, less extensive investigations were performed by GCCU Security through the year, seven of which were documented. This includes other law enforcement video requests; investigations into counterfeit money coming to GCCU (in both instances, GCCU employees recognized the fake money and followed their training correctly); assisting employees with reviews of operations, and instances of GCCU members who had suffered financial losses due to frauds. The Security office remains a resource to GCCU employees and members on topics related to its mission which is to protect GCCU employees, members, and their assets through training, investigations, and inspections.

Also in 2021, GCCU's security office:

- Issued twelve email alerts to GCCU staff concerning crime trends and security issues
- Researched the backgrounds of eleven applicants seeking employment with GCCU
- Delivered two formal training classes to employees regarding robbery preparedness and other security issues. The classes included audio and video recordings of actual GCCU situations making the lessons real and easier to relate to. Both classes were "virtual," held through the Microsoft Teams platform.

GREATER CINCINNATI CREDIT UNION 2021 AUDIT REPORT

"Let There Be Light"

As we weathered the storm of 2020, the pandemic continued to influence our lives. It affected our families with losses, employment status with lots working from home, and financial status. But at the end of the day, you have a Credit Union that you have entrusted us to use prudent oversight to manage your funds. Despite the above mentioned challenges, the Greater Cincinnati Credit Union continued to provide quality service along with consistent growth.

Ex-Officio Directors are appointed (non-voting) members of the Board that serve as liaisons with our outside CPA firm, Whitmer and Company. We review and report their audit findings to Board Members throughout the year to ensure that your Credit Union is being operated by Management in a safe and sound manner.

As an Ex-Officio, we participate in regularly scheduled Board Meetings and serve on various committees throughout the year. While in attendance for these meetings, we observe the overall governance of your Credit Union. Your Board members are comprised of a wide variety of diverse professionals with experience, knowledge, and commitment to ensure proper oversight. Ex-Officios also participate in formal training and development programs, along with Management and Board members to expand our knowledge and keep us abreast of any changes with policies, procedures, and any new regulations.

Whitmer and Company also provides unannounced cash audits at branches and a variety of audits throughout the year and annually. These processes are in place to ensure that every dollar and penny is accounted for and balanced against our records. The formal audits are documented and submitted at regular Board Meetings. Once again, we are pleased to report that there were no significant findings of errors or omissions, and the 2021 financials reported are accurately stated.

Thank you for your confidence as we remain vigilant with continued oversight.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Members of Greater Cincinnati Credit Union, Inc.

Opinion

We have audited the accompanying financial statements of Greater Cincinnati Credit Union, Inc., which comprise the statements of financial condition as of December 31, 2021 and 2020, and the related statements of income, changes in members' equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Greater Cincinnati Credit Union, Inc. as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Cincinnati Credit Union, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Cincinnati Credit Union, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater
 Cincinnati Credit Union, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial
 doubt about Greater Cincinnati Credit Union, Inc.'s ability to continue as a going concern for a reasonable period of
 time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.
